4. STATEMENT: The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. [NOTE: The United States Patent and Trademark Office may require additional information if there is a question as to whether either the
abandonment or the delay in filing a petition under 37 CFR 1.137(b) was unintentional (MPEP 711.03(c),
subsections (III)(C) and (D)).] WARNING:
Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that ma
contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit car
numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required be the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the
USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting ther
to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a page publication request in compliance with 37 CFR 1.313(a) is made in the application.
of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is
referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTC
2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.
